Company No: C0706723

Maxwell W

Category Code: HT1, HT2

NSF Registration No. 167464

This product is acceptable for use as a heat transfer fluid where there is possibility of incidental food contact (HT1). The amount used should be the minimum required to accomplish the desired technical effect.

This product is acceptable for use as a heat transfer fluid where there is no possibility of food contact (HT2). The amount used should be the minimum required to accomplish the desired technical effect.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
